Please do not use your Internet browser's Print buttons when printing your fulfillment document.

Instead, use Adobe Reader 8.0 or higher to open the document you wish to print. Then click the Print button located on the document's toolbar at the top right.

This image shows a document viewed in Adobe Reader 9.0. The toolbar may appear differently for older versions of this software.

**Note:** Download the latest version of Adobe Reader at [get.adobe.com/reader](http://get.adobe.com/reader).
